GENERAL MANAGER

WELLINGTON STREET GLASGOW

A truly unique multi – award winning restaurant, bar and retail group operating in Scotland with an excellent reputation for hospitality with real care and flair. We need a passionate and experienced General Manager to head and develop our flagship store

THE FLAGSHIP GM ROLE

As General Manager you will have a minimum of 3 years experience within fast paced, high quality food led units.

You will be fully responsible for all operational aspects of this unique venue, including 120 seat restaurant, bar, deli and events management

Managing the floor and leading your team by example with energy and enthusiasm will be a key part of your job, ensuring both regular and new customers are consistently delighted with the food, beverage and service standards delivered to ensure that our brand remains a market leader

Previous experience of both planning and managing events and a working knowledge of kitchen practices, cooking and food safety would be advantageous

You will consistently achieve and exceed target key performance indicators to include;

- TURNOVER

- FOOD AND LIQUOR MARGINS AND STOCK CONTROL

- WAGE PERCENTAGE

- BUDGET CONTROL

- You will be fully responsible for delivering comprehensive team training, performance management, team recruitment, development and a high level of staff retention

THINK YOU HAVE WHAT IT TAKES?

You must be able to consistently deliver the highest standards of service within a fast paced, dynamic environment. You must have excellent interpersonal skills and have real passion for delivering excellent customer care. This is a challenging role for a practical, yet highly creative multi-tasker currently employed at GM level
